## —ANNOUNCEMENTS—

**Flowers in the Sanctuary:** given by Mike & Julie Atkinson in celebration of their 22nd wedding anniversary.

**Message from the Pastor: You Can Do It! Learn How to Share Your Faith:** The greatest experience a person can have is that of being born again. The second best is leading a family member or a friend to personal faith in Jesus Christ. Yet, many never attempt to share their faith out of fear or lack of knowledge. It's been my experience that when a person is adequately trained to share their faith, the fear factor is greatly reduced.

We have set aside the Sunday School hour today and 17th for just such training. Today, all of the Sunday School classes from senior high through the 30's will meet in the auditorium for training. On the 17th, the 40's and up Sunday School classes will meet for the same training. The schedule for the day includes training during the Sunday School hour, a brown bag lunch (you bring it) and visitation after lunch.

I know that some will resist or avoid at all cost this type of training. I have but one question for those: Where would you be if someone had not cared enough about your eternal destiny to share the Lord Jesus with you? The Risen Lord has commanded that we be "witnesses" all the time to all the world. Your faithfulness will be rewarded. You can do it!
