Count Your Blessings

Johnson Oatman, Jr. grew up in New Jersey in the middle of the 19th Century singing hymns with his father. His life is a testimony to the legacy left by a loving Father who sings praise to God with his children! Johnson grew up to become a bi-vocational Methodist minister and he wrote over 5,000 hymns, including Count Your Blessings in 1897. Count Your Blessings is considered his finest hymn and for over one century it has been one of our most loved hymns.

It's a song of thankfulness to God that his sung by English speaking people around the world on Thanksgiving Day and all year long.

One writer said about Count Your Blessings, "It is like a beam of sunlight that has brightened up the dark places of the earth." Early on it was especially popular in Great Britain, where it was said, "The men sing it, the boys whistle it, and the women rock their babies to sleep on this hymn." During the revival in Wales it was one of the hymns sung at every service.
