Happy Veteran's Day

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States." — Ronald Reagan

"This nation will remain the land of the free only so long as it is the home of the brave." — Elmer Davis

"A hero is someone who has given his or her life to someone bigger than oneself." — Joseph Campbell

"Only TWO defining forces have ever offered to die for you:

1. Jesus Christ

2. The American Soldier

One died for your soul, the other for your freedom." — Unknown

"This is my commandment, That ye love one another, as I have loved you. Greater love hath no man than this, that a man lay down his life for his friends." — John 15:12-13
